NOTES FROM UNIVERSITY KEY POLICY (SY-19)

A key replacement fee will be charged to **ALL** key and access device holders for lost University keys/fobs/tags. In addition, actual recoring costs may be charged (if deemed appropriate by the budget executive) as a result of such lost keys or access devices. Lost PSU ID Plus cards are governed by policy AD24, *Identification Cards for Faculty/Staff, Students and Affiliates*.

All keys, key fobs, or tags referred to in this policy are the property of The Pennsylvania State University and are not to be duplicated by any faculty, staff, or student. Duplication of a key or access device, or possession of a duplicate key or access device, will result in referral to the Office of Conduct Standard or the Office of Human Resources for appropriate sanctions. Criminal sanctions are also possible.

Upon termination of employment and/or student status or transfer from the area, all keys must be returned to the Access Coordinator in the administrative area from which the key(s) were issued. Failure to return keys upon termination or transfer may result in the holding of employee accounts or a charge to a student account until the keys are returned, or the cost of recoring the facility is recovered.

I have read the above. In accepting keys and/or clearances from the Access Coordinator, I agree to comply with the terms specified above and all related University policies.
